Enterprise is still happening and we shall have stalls that will be organised at the next meeting. Planned with this is a nonuniform day for a bag of sweets for the sweet tombola.Suggested games Teddy Tombola, Lucky Dip, Sweet Tombola, Lucky Dip. We have wooden games to sell and left over tea towels and mugs plus the donated crocheted animals.

Cauliflower cards and Tea towels are a no this year as not many children and to make money back on them we have to order so many and we have lots left over and it takes lots of organising. So this year we shall try Purple Pumpkin and decorate your own ornament for the tree.

There will be a raffle for a hamper donated by Tesco at the Festival of Christmas on 15th November in the church. To add to the Christmas 12 month raffle is a £20.00 Morrisons voucher.

Easter bingo as it was a wash out last year this year we shall try an easter egg treasure hunt. Letters will go out to local shops for a donation of eggs. Non-uniform day will be added for an egg as normal.

We said give the 12 months of raffle a break gives us time to get more prizes in and gives the spending a break too.

There will be a quiz this year. The date we are looking at is 12th March open to all. Not just school. To be held at the village hall .Book a table and bring your own snacks. Possibly sell light refreshments. More discussion on this will be in the New Year.

Sports day was touched upon but a bit early yet.

The new clothes bin is now in the car park. We just need to keep an eye on it and remember to inform the people to come and collect. Hopefully it will prove to be a lot better and easier than bags for school. Lots less organising.

Wonka bars will be sold alongside World Book Day. New golden tickets will be sorted out. WBD is on the 5th March.

Julie to sort out the safeguarding course for all PTA members. I have tried to sort it but failed.

A good and productive meeting was had by all.

Date for next meeting **19th NOVEMBER Thursday 3.15** after school to discuss enterprise.
