Rachel C wishes to step down from the treasurer position. Due to work commitments she is no longer able to give it all the time that she would like.

Mark Short was nominated for this position seconded by Nikki J and Kerry R. Thank you Mark.

A position has become available Website and Fundraising administrator. Which involves updating the website and Facebook Page, coordinating bags 2 school, christmas cards, tea towels and gifts, sourcing raffle prizes. This position is going to be split between Bexy and Kerri C. Seconded by Bex and Kerry R.

Becky and Kerri are going to sort out between them raffle donations for the upcoming events.

Christmas Fundraising ideas. A scaled down version of previous Frost Fayres is hopefully going to take place on December the 15th after school with Sams Enterprise. Things are now being put into place and stalls being organised. FoMSA members are going to man their own stalls, there may possibly be a Father Christmas if we can find one. Finalising will be done at the next meeting after half term.

FoMSA has been offered a stall at a local craft event run by Tanya S. She is going to ask her stall holders to donate a prize for our raffle. We are also going to do name the giant Elf. 100 names on the board. Pick a name. All names will be cut up and pulled out at the end of the day. Winner gets a giant Elf. We shall as well do name the Elf at school. Bex is going to order the Elves online from Home Bargains.

After school cake sale on the last day of term for Halloween. Friday 20th October. Kerri C has said she will help as Kerry R is away.

Next Meeting is after School on Friday 3rd November 3.15
