19<sup>th</sup> April 2024

Dear Parents and Families

Welcome back to the Summer term, although this week the weather has certainly not been anything like Summer!

This term is always a busy one – with Residential for our Key Stage 2 pupils, Year 6 completing their SATs in May, End of Year Reports being compiled, Transition activities for pupils moving classes, as well as Sports Days and End of Term Productions!

Thank you for all your feedback regarding the Parent Consultations completed last week. We will take these in account when we plan our future ones.

We hope that you found the End of Spring term reports useful, should you wish to check in with any of our teachers then please contact them at school or see them at the start or end of the school day.

At the present time both of the Waveney Valley Partnership Schools are going through some construction with a new Heating System being introduced. We have been informed that all of this will be in place and operational by September 2024.

Next week we will share our first Whole School Newsletter – which will contain all of the key dates for this term.

As always we are here to listen to any concerns, ideas or suggestions that you may have to improve the learning experience for our children. This term there will be a further two sessions of Learn More with Mr Lea – the first one is in May and will focus on Reading Skills. I hope to see many of you there. I certainly enjoy these sessions and hope the attendees find them helpful too.

Thank you for your ongoing support.

Kind regards

Mr Lea, Academy Head Teacher
