4<sup>th</sup> September 2024

Dear Parents

Welcome back to the new Academic Year!

I hope that all of you had a fantastic Summer holiday - it seemed to go so quick!

Over the Summer holidays the school has had a number of building tasks completed including the final installation of the new heating system. We really hope that we don't have to use it for a long time but at least we know that we now have a much more energy efficient system in place.

The whole staff are very much looking forward to a positive year filled with fantastic learning opportunities - some will be shared with you very soon. I will also be sharing with you soon the Educational Visits Schedule for this year. We hope this will help all of you in ensuring you know what is planned and when these will take place, and of course in the current financial situation for many families this should allay some of those concerns about unexpected trip costs.

I would urge all of you to look at both our website - <https://www.mendhamprimaryschool.org.uk/>

and Facebook page - <https://www.facebook.com/p/Mendham-Primary-School-100083054866281/>

Both are updated regularly to keep you all informed of things happening in school.

Learn more with Mr Lea will return this year - the first session is Thursday 3rd October at 2:30pm - I hope to see many of you there!

Finally, always remember if you want to discuss anything with any of our staff, we are here for you. Our collective goal is to ensure that your children have a very positive experience in our school.

Thank you for your ongoing support.

**Simon Lea**  
Academy Head
