Dear Parent,

I am writing to invite you in to connect with your child's learning at our school. This is part of our ongoing commitment to provide you with an insight into the work your child has been completing in different subjects.

This half term we are focusing this session on Science, but you are welcome to look at your child's other subject books if time allows.

We appreciate how busy you can be with work commitments and extracurricular activities so would like to invite you in at pick up time in the afternoon. Classes will be open to you all from 3:05pm to 3:30pm. During this time, as well as looking at books, there will also be an opportunity to discuss with your child's class teacher about their learning.

Seedlings	Thursday 24 th October
Pine	Tuesday 22 nd October
Juniper	Monday 21 st October
Sycamore	Wednesday 23 rd October

After the half term holiday there will be a Parents Consultation Evening (the timings and dates for these to follow shortly) for you to discuss any concerns or issues you may wish to raise with your child's class teacher.

Thank you for your ongoing support and we look forward to seeing you in school for these afternoons.

Kind regards

Mr Simon Lea
