8th December 2021

Dear Parents and Carers,

I am writing to provide an update with regards to the COVID cases in school. In the last 24 hours we have had an increase in the number of reported cases in Sycamore class and in line with Suffolk County Council guidance have no option but to revert to remote learning for Sycamore class. This means that pupils will need to log onto Google Classrooms from tomorrow, tomorrow's work will be worksheet based rather than live teaching. From Friday Mr Norfolk will be teaching live via google meet (as in the last lockdown).

The class bubble will still remain open for Key worker and Vulnerable pupils, please email if you are unsure whether you are eligible for these criterias.

Unfortunately, these measures will need to remain in place until the end of term.

A following letter from Suffolk County Council will be sent with guidance on next steps with regards to contact tract and trace (which now becomes the responsibility of the school.)

I am sorry to have to share this news with you at such short notice, but we have acted as quickly as possible.

If you have any further queries please do not hesitate to contact the school.

Kind regards

Susie Collins
Academy Head Teacher
