## Summer 2026

Dear Parents and Carers,

Juniper Class have a fun Summer term planned. Many of us are off to Horstead for our residential trip. I know the pupils and staff are very much looking forward to this. This half term we will have a Cricket Coach coming into school on a Wednesday to teach the children all about Cricket. We will also soon be starting rehearsals for the much-anticipated Summer Production - more information to follow soon.

We have been enjoying our cricket so far, we played lots of games and practiced catching. In maths we have been learning about telling the time using analogue and digital clocks. In RE we have been learning about the concept of Dharma to Hindus. It has been very busy!

Remember that its  
important to read at least 3  
times a week  
&  
Don't forget to practice  
your times-tables on Times  
Table Rockstars
