20th November 2020

Dear Parents/Carers,

This year's Christmas production will be taking place virtually.

Each class will be performing a short piece which will be videoed, edited together and then shared virtually via google classrooms. This will mean that all classes and their parents will be able to watch each other's performance.

You previously indicated on your GDPR form that you would prefer your child to **not** take part in external photos and videos. Therefore, if you would like your child to take a part in the shared performance then please email Mrs Rogers (officemendham@wvpschools.org) or Miss Frearson (officehoxne@wvpschools.org) who will be able to update your permissions for this occasion only; if you would like this to apply to future occasions please indicate in writing.

For any amendments to your GDPR preferences for this event only please reply by Friday 27th November at the latest.

In order to access the video, you will need to have activated for your child's google classroom account for this academic year, following the instructions previously sent on 9th November 2020. If you have not yet done so, please could you do this as soon as possible so that any problems can be addressed sooner rather than later (contact the office who can reset passwords).

Best Wishes

Susie Collins
