

### Websites to support reading and writing

<https://www.topmarks.co.uk/english-games/5-7-years/letters-and-sounds>

*Topmarks has games which support reading with an emphasis on phonics.*

<http://www.pobble365.com/>

*This website offers a variety of pictures that act as a stimulus for writing. There are writing ideas outlined below each picture.*

<https://www.bbc.co.uk/bitesize/subjects/zgkw2hv>

*Bitesize offers some games and tutorials on spelling, grammar, phonics etc.*

<https://www.literacyshed.com/>

*Literacy shed offers a range of videos and images which act as a stimulus for writing. There are writing ideas outlined below each film/picture.*

<https://www.phonicsplay.co.uk/Phase5Menu.htm>

*You have to subscribe for **some** of these games but I find the free ones are good enough for quick phonics practise.*

<https://www.literacywagoll.com/>

*This site has a range of successful examples of various texts. Children will know that WAGOLL stands for "What a good one looks like". These can be used for reading (although some are more challenging than others) or for getting inspiration for their own writing.*

<https://www.oxfordowl.co.uk/for-home/kids-activities/games--1/>

*The games on here are focussed a lot on specific books which you may not have access to but the game "Word Wom" is good for spelling and reading practise.*

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

*There are some lovely stories on here which read aloud to you.*

<https://www.education.com/games/?cid=11.2144>

*This has both literacy and maths games as well as a lot of other resources. It's American so uses "grade" instead of "year" but the games are still linked to the learning we have done in class and should help them to practise the skills they have learnt.*

<https://www.thenational.academy/>

*Offers a wide range of learning opportunities.*

<https://www.naturalcurriculum.co.uk/>

*Spelling and grammar activities.*

<https://www.talk4writing.com/>

### Websites to support maths

<https://www.education.com/games/?cid=11.2144>

*This has both literacy and maths games as well as a lot of other resources. It's American so uses "grade" instead of "year" but the games are still linked to the learning we have done in class and should help them to practise the skills they have learnt.*

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

*Good for supporting counting. Not particularly challenging however.*

<https://www.topmarks.co.uk/maths-games/hit-the-button>

*Fun and good for trying to improve recall in times tables, doubles, halves, number bonds.*

<https://mathsframe.co.uk/en/resources/category/22/most-popular>

A range of games supporting maths learning. Some of the times table ones go beyond what is expected of a year 2 child but if they want a challenge they'll find it there!

<https://www.mathshed.com/browse/aboutURL>

Most of the content on this site is behind a paywall but there are free lessons on here. Click your year group, the term (choose any) and have a look at the free ones there.

<https://whiterosemaths.com/resources/classroom-resources/problems/>

Maths problem of the day! Changes daily.

<https://nrich.maths.org/>

Maths problems.

<https://www.thenational.academy/>

### **Websites to stay active at home:**

*It is important to stay active to keep physically and mentally happy. These websites will support fun activities you can do from your home.*

[www.youtube.com](http://www.youtube.com)

<https://www.bbc.co.uk/teach/supermovers>

Good website for different PE activities\_

### **Other resources or websites that may help.**
